

Strong One

Because Your loving kindness is better than life
My lips shall praise You
Thus I will bless You while I live
I will lift my hands in Your name

My soul shall be satisfied as with abundance
And my mouth shall praise You with joyful lips
I will lift my hands in Your name

My soul, it thirsts for You
My flesh, it longs for You, so
I have looked for You in the sanctuary
To see Your power and glory
I have looked for You in the sanctuary
To see Your power and glory

In the shadow of Your wings
I will rejoice
I follow close behind You

Oh God, You are my God
Oh God, You are my God
Oh God, You are my God
Oh, Strong One

Hosanna Hosanna

Jesus, you are the light of the world.
You are my rock, my help, my shield.
Oh, I want to take you to the mountain top
And shout out loud that you are my God.

Hosanna, Hosanna (x4)

I will never be the same
Now that Jesus lives in me.
Lord, you take me higher than I've ever been before, yeah, yeah (x2)

Oh, Jesus, you are Lord;
Oh, Jesus, you are Lord
Of my life.

All That I Need

You are the way, You are the truth
You are the life I've been looking for.
You are the way, You are the truth
You are the life I am hoping for.
You are the way, You are the truth
You are the life I am dying for.
You are the way, You are the truth
You are the life I am living for.

Lord God Almighty, have Your way.
Holy Jesus, King of all days.
Holy Father, in heaven be praised.
Holy Spirit, come take Your place in me.

Oh, my Lord
You opened up my eyes to see Your love
Now You're all that I need
I feel Your touch
With Your loving arms around me oh my Lord,
You are all that I need.

Nothing compares to Your love

Holy, Holy, Holy, Father, Son and Spirit.
Holy, Holy, Holy is our one and only true God.
Holy, Holy, Holy Father, Son and Spirit.
Holy, Holy, Holy is our God.

Praise Our God

Praise our God of holiness
Praise our God of righteousness
He is worthy of all the glory

We will sing Your kingdom come
We will sing Your will be done
On earth as it is in heaven

Praise the Lord for He is good
Praise the Lord for all He's done
Praise the Lord, oh my soul
Praise the Lord, oh my soul

Glory to our Lord above
Glory to our Lord of love
Jesus Christ, He reigns forever

We will show the world Your love
We will tell them You are God
The One Creator, Holy Saviour

All hail, all hail,
All hail, the Lord God on high

All hail, the Lion of the tribe of Judah
Praise the Lamb of God

Your Will Be Done

People of the world come together
In the name of the Lord
Let us sing a prayer to our Father
In the name of Jesus Christ

We're praying for the hurt and the lost
We're praying for the ones
who don't know who You are

We're praying for Your glory,
Your kingdom come
We pray Your will be done.

O Lord
We pray Your will be done

Your Kingdom come
Your Will be done
On earth as it is in Heaven

Bright and Morning Star

Holy is the Lord
Healer of the broken heart
Son of Man, gift of God
Our sins You paid for
On the cross

Jesus we thank You Lord (x2)

Bright and Morning Star
Lamb of God, Holy One
Nothing can replace
Your blood, that saves
Amazing grace

We will stand in awe of You
We will stand in awe of You

Spirit Come

Lightning breaks the darkness round me,
Thunder roars; Your power surrounds me.
Deep to deep, fresh water falling.
Lord, I'm calling, calling, calling...

Spirit come like rain, rain rain;
Flood and wash right through my soul,
Spirit, come like rain and make me whole.

Warm wind ends the chill of winter;
Now my cage begins to splinter.
Heart takes flight, an eagle soaring;
Lord, I'm calling, calling, calling...

Spirit come like wind, wind, wind
Breathe and billow through my soul;
Spirit come like wind and make me whole.

You filled my heart Lord
And lead me on
Point the way Lord
And take me home
You've sanctified me Lord
I want to walk beside You
I will go wherever, Lord
Live with You forever

Torch my hand, a battle cry,
Frozen darkness to defy.
Shield and sword prepared for warring
Lord, I'm calling, calling, calling...

Spirit come like fire, fire, fire
Flame and flicker through my soul.
Spirit come like fire and make me whole.
