Combined Connect Groups Meeting Wed 28th

Meeting at Northcity café 7.30pm to hear from Fraser Hardy, national leader of our church network, LinkNZ. We encourage you to come and hear from a genuine apostolic father. Everyone welcome, even if you are not currently part of a Connect group

Offering towards LinkNZ expansion

The churches of LinkNZ will be taking up an offering on Sunday May 2nd. Fraser writes:

“This important offering empowers us to expand and grow as a network with an administration that is able to support our vision for the days ahead. To see healthy churches growing and communicating requires gifted administrative leaders to help facilitate that. To plant churches and inspire people into mission requires a constant source of this communication to keep us breaking through into new endeavors.”

We encourage you to consider giving towards the growth of our national church network.

Healthy Lifestyles Course

A program to empower and strengthen women physically, emotionally and spiritually. A new course will be starting on Friday mornings 10am- 12.30pm from 30th April. Please see Janice or Karen if interested

EQUIP: “Christian Set Yourself Free”

With Graham Powell, May 21st-22nd, Northcity Church

Graham and his wife Shirley are New Zealanders based in Vancouver. They have spent the last 25 years speaking and ministering in many nations around the globe. Graham teaches

powerfully on areas such as understanding the spirit/soul dimensions, how demonic forces interact with people, the nature of strongholds and principles of deliverance taught by Jesus and Biblical authority etc. In his well known book “Christian Set Yourself Free”, Graham shared humbly yet with authority, lessons he learnt in his own experience as he began learning about this dimension years ago. Today he ministers in many settings, churches, conferences, seminars/workshops with a heart to see people truly ‘living free’. It is a privilege for Northcity to be hosting Graham and Shirley. Registration forms available by Communications desk
